[No. 5366.]

For the prevention and cure of  
BILIOUS AND MALIGNANT FEVERS  
is recommended  
**HAHN'S ANTI-BILIOUS PILLS**  
This Medicine has been attended  
with a degree of success highly grateful  
to the inventor's feelings in several parts  
of the West India and in the Southern  
and Middle States, &c.

The testimony of a number of persons  
can be adduced, who have reason to be-  
lieve that a timely use of this salutary re-  
medy has, under Providence, preserved  
their lives when in the most alarming cir-  
cumstances.

Facts of this conclusive nature speak  
more in favour of a medicine than col-  
umns of pompous eulogy founded on  
mere assertion.

It is not indeed presumptuously pro-  
posed as an infallible cure, but the inven-  
tor has every possible reason that can re-  
sult from extensive experience for be-  
lieving that a dose of these Pills taken  
once in every two weeks during the pre-  
valence of our bilious fevers, will prove  
an infallible preventive; and further,  
that in the earlier stages of those diseases  
their use will very generally succeed in  
restoring health, and frequently in cases  
estimated desperate and beyond the pow-  
er of common remedies.

The operation of these pills is perfectly  
mild, so as to be used with safety by per-  
sons in every situation and of every age.  
They are excellently adapted to carry  
off superfluous bile and prevent its mor-  
bid secretions—to restore and amend the  
appetite—to produce a free perspiration  
and thereby prevent colds which are of-  
ten of fatal consequences. A dose never  
fails to remove a cold if taken on its first  
appearance: they are celebrated for re-  
moving habitual costiveness—sickness at  
the stomach and severe head-ache—and  
ought to be taken by all persons on a  
change of climate.

They have been found remarkably effi-  
cacious in preventing and curing disor-  
ders attendant on long voyages, and  
should be procured and carefully preserv-  
ed for use by every seaman.

**Hamilton's Elixir.**  
A sovereign remedy for colds, ob-  
stinate coughs, asthmas, sore throats, ca-  
tarrhs, and approaching consumptions.  
To persons who have children afflicted  
with the **HOOPING COUGH**, this dis-  
covery is of the first magnitude, as it af-  
fords immediate relief, checks the pro-  
gress, and in a short time entirely re-  
moves the most cruel disorders to which  
children are liable. The Elixir is per-  
fectly agreeable, and the dose so small  
that no difficulty arises in taking it.

**Hamilton's Grand Restorative.**  
Is recommended as an invaluable me-  
dicine for the speedy relief and perman-  
ent cure of  
Nervous Disorders, Violent cramps in  
Consumptions, the stomach and  
Lowness of spirits, back  
Loss of appetite, Indigestion  
Impurity of blood, Melancholy  
Hysterical affections, Gout in the stomach  
Inward weaknesses, Pains in the limbs  
and debility, Relaxations, &c.

**Hamilton's Essence and Extract of Mustard.**  
A safe and effectual remedy for acute  
and chronic rheumatism, gout, rheumatic  
gout, palsy, lumbago, numbness, white  
swellings, chilblains, sprains, bruises, pain  
in the face and neck, &c. &c.

**Lee's Ointment for the Itch.**  
Warranted an infallible remedy at one  
application, may be used with perfect  
safety by pregnant women, or on infants  
a week old, not containing a particle of  
mercury or any dangerous ingredient  
whatever, and not accompanied with that  
tormenting smart which attends the ap-  
plication of other remedies.

**Hahn's true & genuine German Corn  
Plaster.**  
An infallible remedy for corns, speedily  
removing them root and branch, with-  
out giving any pain.

**The Genuine Persian Lotion.**  
So celebrated among the fashionable  
throughout Europe, is an invaluable cos-  
metic, perfectly innocent and safe, free  
from corrosive and repellent minerals,  
the basis of other lotions, and of un-  
paralleled efficacy in removing blemishes  
of the face and skin, freckles, pimples,  
inflammatory redness, scurfs, tetter, ring-  
worms, scabiness, itching, &c.

**Hahn's genuine Eye Water.**  
A sovereign remedy for all diseases of  
the eyes, whether the effect of nature  
weakness, or of accident.

**Tooth Ache Drops.**  
The only remedy yet discovered which  
gives immediate and lasting relief in the  
most severe instances.

intermittent fevers.

may be had gratis, describing cures per-  
formed by the above medicines; the num-

**Fifty Dollars Reward.**  
**T**HERE came to the stables of the  
subscriber, on Monday the 1st inst.  
a person calling himself  
**MR. PEYTON,**  
and obtained a horse and gig on hire, as  
he said, to go to Elliott's Mills, and re-  
turn in the afternoon of the same day; and  
as he has not yet returned, there is  
strong reason to believe that his intention  
is to swindle me out of my property. He  
is about 3 feet 8 or 9 inches high, appar-  
ently about 25 or 30 years of age, of  
gentle appearance, and well calculated  
to deceive.  
The horse is a grey, about 15 hands  
high, 9 or 10 years old, has a switch tail,  
a speck on the right eye, and moves  
swiftly. The gig has a green body, car-  
riage and wheels black, the lining of blue  
cloth, red stuff top, linings, plated dou-  
ble—outside joints.  
I will give the above reward for the  
recovery of the horse and gig, and the  
detection of the scoundrel, or 20 dollars  
for the horse and gig only, and all rea-  
sonable expenses if delivered to me, No.

The furthest boundary of this land is not more than three miles from Leesburg, and the nearest, which is in timber, not more than one mile and a half. The timbered land will be laid off into 10 or 15 acre lots, reserving a sufficient quantity for the land now cleared and in cultivation. It is unnecessary to say that this land is as well adapted to plaster as any in that part of the country; and if not sold at private sale previous to the September Leesburg court, will be then offered at public sale, and the terms made known on the day.

### Dr. Thomson's System of Chemistry.

IN FOUR VOLUMES OCTAVO.  
THE preceding edition of Dr. Thomson's Chemistry, had acquired so much reputation both in England and upon the continent of Europe, that a new edition, comprising the new facts with which the science had been enriched, and the new views of the subject which extended knowledge had suggested as indispensable, was eagerly looked for by the scientific world. A new edition has accordingly appeared, wherein the former edition of five volumes has been condensed into four.

All the new discoveries, and all the new theories of Chemical Phenomena, have been considered and embraced in the present improved edition: so that it is indispensable to the chemical student, as presenting the only condensed view of the changes and alterations in chemical doctrine, which the discoveries of the last ten years have suggested. No apology therefore can be necessary for reprinting such a book in this country; for the press does not furnish a substitute for it. But, there is so much theoretical suggestion—so much abstract calculation—so much fact of dubious authority—and so much dubious validity—that notes and illustrations are absolutely necessary, not merely to render the book more useful, but more intelligible.

Under these impressions, I thought fit to write notes in illustration (and sometimes in contradiction) of the work itself, rather than to make any abridgement of it. Those who wish to know the modern views of chemical science, must peruse it; and to very many who will be anxious to study it, elucidation will be necessary. I have endeavored to supply these, to the best of my ability; regardless whether my own opinions are in dissonance or coincidence with those of my author; leaving to the reader to decide between us.

The work will be published, with notes and illustrations, in four volumes 8vo.

THOMAS COOPER, N. D. CONDITIONS.

I. The work will be printed on a superfine paper, with a new small price letter; and will be published early in the ensuing summer.

II. It will be illustrated with a number of cuts, of which several have been necessarily added to the London edition.

III. It will be delivered to subscribers at \$12—to non-subscribers at \$14, in boards. The London edition sells for \$18.  
Subscriptions will be received by JAMES KENNEDY & SON.

### James Kennedy & Son,

RESPECTFULLY inform the public that they have just received from LEE'S MEDICINE STORE, No. 46, Maiden lane, New-York, a fresh supply of the following valuable MEDICINES:

### Hamilton's Worm-destroying Lozenges.

Which have within sixteen years past cured an immense number of persons of both sexes of every age and in every situation, of various dangerous complaints arising from WORMS, and from obstructions or foulness in the stomach and bowels.

This medicine bears no analogy whatever to others of similar titles as commonly complained of as operating with violence; on the contrary a particular excellence of this remedy is its being suited to every age and constitution. It contains nothing but what is perfectly innocent & is so mild in its operation that it cannot injure the most delicate pregnant lady or the tenderest infant of a week old should no worms exist in the body; but will without pain or griping cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders. The lozenges are particularly efficacious in carrying off all gross humours and eruptions, feverish and bilious complaints, and are the safest and mildest purgative that can be used on any occasion.

### Description of Worms, and the symptoms by which they are known.

Worms which infest the human body are chiefly of four kinds viz.—The Tape or large round worm; the Ascarides or small maw-worm; the Cucurbitaria or short flat white worm; and lastly, the Tenia or tape-worm, so called from its resemblance to tape. This is often many yards long and is full of joints. It is most hurtful and most difficult to remove.

Among the symptoms attending worms are—disagreeable breath, especially in the morning; bad and corrupted gums; itching in the nose, and about the seat; convulsions, epileptic fits, and sometimes privation of speech; starting and grinding of the teeth in sleep; irregular appetite, sometimes loathing food and sometimes voracious; purging with slimy and fetid stools; vomiting; large and hard belly; pains and sickness at the stomach; pains in the head and thighs and lowness of spirits; slow fever with small and irregular pulse; a dry cough; excessive thirst; sometimes pale and unhealthy countenance, and sometimes the face bloated and flushed.

Persons afflicted with any of the above symptoms should have immediate recourse to Hamilton's Worm Destroying Lozenges, which have been constantly attended with success in all complaints similar to those above described.

A dose of this medicine given occasionally during the warm season, will effectually prevent "the vomiting and purging of children"—a dreadful disorder, which annually destroys thousands of the infant part of our citizens. It is likewise the mildest and most certain remedy known, and has restored to health and strength a great number when in an advanced stage of this fatal complaint. Particular and plain instructions are given for every part of the necessary treatment in such cases.

Children generally take this medicine with eagerness; having a pleasing appearance, and an agreeable taste.

**The Restorative Powder for the Teeth and Gums.**

For the prevention and cure of BILIOUS and MALIGNANT FEVERS is recommended  
**HAIN'S ANTI-BILIOUS PILLS**  
THIS Medicine has been attended with a degree of success highly grateful to the inventor's feelings in several parts of the West Indies and in the Southern and Middle States, &c.

The testimony of a number of persons can be adduced, who have reason to believe that a timely use of this salutary remedy has, under Providence, preserved their lives when in the most alarming circumstances.

Facts of this conclusive nature speak more in favour of a medicine than columns of pompous eulogy loaded on mere assertion.

It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason that can result from extensive experience for believing that a dose of these Pills taken once in every two weeks during the prevalence of our bilious fevers, will prove an infallible preventive; and further, that in the earlier stages of those diseases their use will very generally succeed in restoring health, and frequently in cases esteemed desperate and beyond the power of common remedies.

The operation of these pills is perfectly mild, so as to be used with safety by persons in every situation and of every age. They are excellently adapted to carry off superfluous bile and prevent its morbid secretions—to restore and amend the appetite—to produce a free perspiration and thereby prevent colds which are of ten of fatal consequences. A dose never fails to remove a cold if taken on its first appearance: they are celebrated for removing habitual costiveness—sickness at the stomach and severe head-ache—and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured and carefully preserved for use by every seaman.

### Hamilton's Elixir.

A sovereign remedy for colds, obstructions, coughs, asthma, sore throats, catarrhs, and approaching consumptions. To persons who have children afflicted with the HOOPING COUGH, this discovery is of the first magnitude, as it affords immediate relief, checks the progress, and in a short time entirely removes the most cruel disorders to which children are liable. The Elixir is perfectly agreeable, and the dose so small that no difficulty arises in taking it.

### Lee's Ointment for the Itch.
